I love Bloomfield because the pool is nice and there is a Jacuzzi for the kids and the adults. The bouncing castle is fun and you can play loads of games on it. You can get Wi-Fi in our room so I can go on my sisters laptop. The lake walks is pretty and you can look at the swans. The restaurant is very pretty. The grounds are big and you can play games like catch on them. It is a beautiful hotel with very pretty views.

I love Bloomfield because it's a really nice hotel and everybody that works there are very friendly and helpful and make me feel very special. I love bumble bee kids club where I get to meet lots of new friends and play lots of games which are fun.

this teddy
is bright,
friendly
and

carrying
Bloomfield 

Just like the

I love Bloomfield because It's a really nice
hotel and every body that work
there are very friendly and
helpful and make me feel
very special. I love bumble
