"From day one when my wife and I went to Bloomfield house, the staffs professionalism and courteous manner really stood out. Nicola, Sharon, Oliver and the whole team ensured everything on the day itself went of without a hitch which led to no stress on the day. I would highly recommend the venue to anyone from any part of the country or abroad to pick it as their venue for their special day as the feedback we received from our guests was all positive. The food and portion sizes were very generous and really tasty. Our guests are still talking about how brilliant the staff were. We both had a wonderful day too due to the effort the team put in for us and the venue looking so good "

All of our guests felt so welcome, I want to say a big thanks to the staff who looked after the kids table during the meal, after the speeches I went down to check on them and they had all their food cut up and little plates of ketchup - the kids all had a great time! "First and foremost we had a fabulous wedding day at Bloomfield House Hotel. The wedding team couldn't have been more helpful in helping us with the numerous decisions that need to be made for the big day. The grounds are perfect for the photographs, not many hotels are on the shores of a lake! I would like to give Sharon the banqueting manager and her staff a special mention, the service was exemplary. A note on this, I was watching down the floor to ensure everyone was getting the same level of attention as the top table and they were. I also checked with the people I knew that had dietary requirements and they were catered for without fault or fuss. A friend of mine said to me, "I should have got married in Bloomfield", you can't say much more than that "

" Can honestly say that thanks to Bloomfield House Hotel, our wedding was the best day of our lives! Venue was stunning for photos, staff were so accommodating, before and on the day, food was fantastic (guests still raving about it) and everyone had a ball! If you are looking for a beautiful, relaxed, chilled environment where people can just enjoy the day and be part of what should essentially be a celebration and a big party...then choose Bloomfield! I would do it all again tomorrow and wouldn't change a thing "

Emily & Shane

"When we stepped foot in Bloomfield House Hotel we knew straight away there was a high level of expertise in the surroundings; we fell for the beautiful views and welcome smile from the Wedding co-ordinator and her staff. She has a small team that are well versed in keeping couples happy. They are a very professional bunch and pulled off a fabulous day for everyone of our guests and ourselves. Going through our planning "no" was never answered to one of our questions or requests. There were no hidden fees and no surprises in any way. We felt extremely comfortable on our wedding day and felt at home with everyone of the staff. Each one knew our names and knew every aspect of our planned day. We would not have changed a thing. Being a same sex marriage, our ceremony was onsite. Catering for 268 people was an impossible feat completed to perfection. The food was absolutely fantastic with not one complaint through the day. Compliments were flying and still are. We had heard that the Bloomfield food was excellent and they stayed true to their word. Bloomfield and their staff with their fantastic venue have nothing to change as they have it down. A hotel I would be bringing other hotel staff to train in: a centre of excellence. Memories created that will never be forgotten"

Peter & Mick

"We had an amazing day. From the moment we booked Bloomfield as our wedding venue, we felt that we were the only couple to get married that year. Any question or query was answered and nothing was a problem. The staff on the day itself were just exceptional, from Sharon who met us on arrival to the lads who served quite late in the residents bar, every member of staff treated us and our guests like old friends. Before the wedding, we were told that your guests only remember two things: The food and the music. A month after the wedding, our guests are still talking about the superb quality of food and the huge amounts that were offered. There was nothing that we would change about the day and we could not recommend Bloomfield highly enough as a wedding venue"

"Denise & Stephen

"Myself and my husband had our Wedding Reception in Bloomfield House Hotel. Even before the day itself, the staff were so helpful. Any query which we emailed with was answered straight away. We had a menu tasting in February and the food was absolutely fantastic. We met the banqueting manager that evening, Sharon, and she was lovely to deal with. From the moment we arrived at the door of Bloomfield on our Wedding day, everything was perfect. Nothing was too much trouble. The meal was beautiful and was served on time and there was no long delays between courses. We found all the staff to be very helpful and nice. I've since had some wedding guests comment on how nice the staff were and how the wedding meal and the breakfast the next morning were lovely. The grounds of the hotel are beautiful for photographs as it's a lakeside setting so we just went straight from the church to the hotel for photos. The Honeymoon Suite itself was lovely and spacious and clean with beautiful views. I had to go back to the hotel a few days later as I forgot something, and there was a lovely bag of goodies ready for me...a newspaper from the day of our wedding, a menu (which had our family photo on it), the table plan and wine. It was a lovely touch. I would definitely have to give Bloomfield House Hotel 5 stars and we're so glad we chose to have our wedding reception here".
